

# PREVENTION

ZOE work in the area of PREVENTION so that we can stop children from being trafficked and exploited.

## But what can you do?

### BE AN ADVOCATE FOR EDUCATION

Advocate at your local school to have human trafficking awareness included in the curriculum as well as protocols for identifying and reporting suspected cases of online grooming or child exploitation.

### BE A CONSCIOUS CONSUMER

Think about the impact of where you shop, what you buy and the foods you eat.

- Who made your clothes?
- Who prepared your food?
- Calculate your Slavery Footprint.
- Do you know which goods may be produced by child or forced labour?

### BE AN INFLUENCER

Use your sphere of influence, or social media platform, to raise awareness and initiate action through your community.

- Share newspaper articles that highlight factual information about what's happening both in Australia and around the world.
- Help others know about the dangers of online predators.
- Organise an awareness event, discuss a trafficking documentary, use the ZOE toolkit or have a guest speaker talk to your group about modern day slavery.
